

Do you need Physiotherapy?

Please visit our website to see what you can do to help yourself:
www.qvh.nhs.uk/our-services/therapies/musculoskeletal-physiotherapy

Musculoskeletal physiotherapy can be particularly beneficial if you are suffering from low back pain, neck pain, recent injuries such as strains and sprains, or joint and muscular pain.

You can now refer yourself directly to the musculoskeletal physiotherapy service at the Queen Victoria Hospital without visiting your GP first.

You must be registered at the following surgeries: Moatfield, Ship Street, Judges Close or Crawley Down

To refer yourself directly please pick up a referral form either:

- From the reception at your GP practice
- Online at www.qvh.nhs.uk
- From the physiotherapy department at the Queen Victoria Hospital
